what's this about?
I couldn't find a letter like this on the NACEPT web site
Regards,
Kirk

News 2 new results for "passaic river"

NACEPT Recommends Cement-Lock Process for Passaic River Cleanup (USA)
Dredging Today
The US Environmental Protection Agency, which has determined the Passaic River to be a Superfund site, has been advised by the National Advisory Council for Environmental Policy and Technology (NACEPT), an advisory board established by the EPA, ...

[NACEPT recommends 'Cement-Lock' process for Passaic River](#)
Dredging News Online
The Passaic River has been studied for over 20 years. Now, NACEPT has told the EPA it is time to stop studying the river and start cleaning it up. "The demonstration of the efficacy of the Cement-Lock technology in New Jersey would encourage clean-ups ...
